This is a request under the Freedom of Information Act as amended (5 U.S.C. 522).
I request copies of:

**Any submissions from EPA to the Office of the DNI during 2011-2012 stating
EPA intelligence requirements.***

The FOIA provides that if only portions of a record are exempted from release, the remainder must be released. I therefore request that I be provided with all nonexempt portions which are reasonably segregable. I particularly request that it be kept in mind that there may exist reasonably segregable portions of classified paragraphs. I also request that any present classified material be considered for declassification.

To permit an intelligent, informed decision as to whether or not to file an administrative appeal of any denial decision, I also request that you describe in detail the withheld records (or portions thereof) and explain the logical and factual basis for exemption claims. See Mead Data v. Department of the Air Force 566 F.2d 242, 251 (D.C. Cir. 1977).

I also request a fee waiver. The fee waiver provisions under section 552 (a) (4) (A) of the FOIA, as amended on April 25, 1987, rewrote section 552 (a) (4) (A) to create categories of requesters entitled to fee waivers. Under those provisions, I qualify for exemption from fees in the "news media" category. The U.S. Court of Appeals for the D.C. circuit has unanimously held that for FOIA fee waiver purposes "representatives of the news media" includes any individuals who regularly publish or disseminate information to the public. (See National Security Archive v. U.S. Department of Defense, No. 88-5217, D.C. Circuit, July 28, 1989, as well as Electronic Privacy Information Center v. U.S. Department of Defense No. 02-1233, United States District Court for the District of Columbia, January 16, 2003).

* I am not seeking every memo or other document to the ODNI with regard to DOA intelligence requirements - only any composite (e.g. yearly) statement of requirements.

I easily meet this criteria as a result of my books and articles, which have appeared in a wide variety of publications. (A vita is available upon request). My books include *Defusing Armageddon: Inside NEST, America's Secret Nuclear Bomb Squad* (WW Norton, 2009); *Spying of the Bomb: American Nuclear Intelligence from Nazi Germany to Iran and North Korea* (WW Norton, 2006); *The Wizards of Langley: Inside the CIA's Directorate of Science and Technology* (Westview, 2001); *America's Space Sentinels: DSP Satellites and National Security* (University Press of Kansas, 1999); *The U.S. Intelligence Community* (Westview, 4th ed. 1999); and *America's Secret Eyes in Space* (Harper & Row, 1990).

My articles and commentaries have appeared in *Scientific American*, *Air Force Magazine*, *Bulletin of the Atomic Scientists*, *Jane's Intelligence Review*, *International Journal of Intelligence and Counterintelligence*, *ISR Journal*, *Armed Forces Journal International*, *Defense Week*, *The National Interest*, *the Washington Post*, *the Los Angeles Times*, *the Boston Globe*, and *Newsday*.

My intended use of the material requested above, and in light of my extensive publication record, clearly meets the criteria established by statute and case law for preferred fee status under the FOIA as a representative of the news media. As such a representative I am entitled to have search and review fees waived. And given the contribution of my work to enhancing public understanding of the government operations I request that you also waive reproduction fees.

I look forward to your response within the statutory time period. If you have any questions about this request, please contact me at (323)-954-0383 (phone), or at jtrichel@ca.rr.com.

Sincerely,

A handwritten signature in dark ink, appearing to read 'J. Richelson', with a stylized flourish at the end.
